## Condolence

Professor Harald Hauptmann, An eminent German Archaeologist was born in Ratkau, Kreis Troppau (Germany) in April 19, 1939. He is known for his remarkable contributions to the Archaeology of East and South Turkey. He also took keen interest in the pre-Islamic archaeology of Pakistan. He served as a professor at the University of Heidelberg and remained a foreign-member of the Serbian Academy of Sciences and Arts. He also remained one of the founding members of the Editorial Board of *Pakistan Heritage*.

On August 2, 2018 we were deeply shocked and saddened to hear the death of Prof. Hauptmann. He will be truly missed by our Editorial Board, his friends and family. It is a fact that we lost him, but we did not lose him as a model in our life, his devotion and strength. His contributions to this Journal will always be remembered.
